

IBM Cloud Services

Team ID	PNT2022TMID32725
Project Name	Hazardous Area monitoring in Industrial Plants powered by IOT

The screenshot displays the IBM Cloud Dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes a search bar, navigation links for 'Catalog', 'Manage', and 'DHARSHINI K's Account', and a 'Create resource' button. The main content area is titled 'Dashboard' and features a 'For you' section with several recommended actions, each with a 'Getting started' button and a time estimate:

- Build**: Explore IBM Cloud with this selection of easy starter tutorials and services. (5 min)
- Create and deploy an application**: Browse our starter kits, and then select one to jump start the process to create and deploy your app. (3 min)
- Create a custom dashboard**: Create a shareable dashboard that you can customize with widgets, scope, and your own layout. (2 min)
- Explore IBM Cloud Shell**: Try a command-driven approach for creating, developing, and deploying a web project. (10 min)
- Build cloud-native apps using IBM Cloud Object Storage**: Build integrated apps using compute runtimes and microservices and use IBM Cloud® Object Storage services for data storage. (Getting started)
- Monitor**: Get vis perform your re (Getting started)

Below the 'For you' section, there are four tiles: 'User access' (Manage users), 'News' (Announcing IBM Cloud Pak for Network Automation Version 2.4, View all), 'Planned maintenance' (View all), and a search bar. The Windows taskbar at the bottom shows the date as 30-10-2022 and the time as 11:43.

The screenshot displays the IBM Cloud Dashboard. At the top, a dark navigation bar includes the 'IBM Cloud' logo, a search bar, and links for 'Catalog', 'Manage', and 'Harini M's Account'. Below this, the main section is titled 'Dashboard' with a dropdown arrow. To the right of the title are links for 'Edit dashboard', 'Upgrade account', and a prominent blue 'Create resource' button. The central area, labeled 'For you', features a horizontal row of six cards. The first card, 'Build', has a blue background and describes easy starter tutorials. The other five cards are grey and represent various quick-start guides: 'Create and deploy an application' (5 min), 'Create a custom dashboard' (3 min), 'Explore IBM Cloud Shell' (2 min), 'Build cloud-native apps using IBM Cloud Object Storage' (10 min), and 'Monitor' (partially visible). Each card includes a 'Getting started' button. A 'News' section at the bottom shows a headline about 'Announcing IBM Cloud Pak for Network Automation' with a 'View all' link.
