

IBM Cloud Services

Team ID	PNT2022TMID32725
Project Name	Hazardous Area monitoring in Industrial Plants powered by IOT

The screenshot shows the IBM Cloud Dashboard in a web browser. The browser's address bar displays 'cloud.ibm.com'. The dashboard header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user's account 'DHARSHINI K's Account'. The main content area is titled 'Dashboard' and features a 'For you' section with several recommended actions:

- Build**: Explore IBM Cloud with this selection of easy starter tutorials and services. (Getting started: 5 min)
- Create and deploy an application**: Browse our starter kits, and then select one to jump start the process to create and deploy your app. (Getting started: 3 min)
- Create a custom dashboard**: Create a shareable dashboard that you can customize with widgets, scope, and your own layout. (Getting started: 3 min)
- Explore IBM Cloud Shell**: Try a command-driven approach for creating, developing, and deploying a web project. (Getting started: 2 min)
- Build cloud-native apps using IBM Cloud Object Storage**: Build integrated apps using compute runtimes and microservices and use IBM Cloud® Object Storage services for data storage. (Getting started: 10 min)
- Monitor**: Get vis perform your re (Getting started: 10 min)

At the bottom of the dashboard, there are sections for 'User access' (Manage users), 'News' (Announcing IBM Cloud Pak for Network Automation Version 2.4), 'Planned maintenance', and 'View all' links. The Windows taskbar at the bottom shows the search bar, task view button, and several application icons, along with system information like '28°C Haze' and the date '30-10-2022'.

Project Name	Hazardous Area monitoring in Industrial Plants powered by IOT

The screenshot displays the IBM Cloud Dashboard. At the top, a dark header bar contains the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and 'Harini M's Account'. Below the header, the main content area is titled 'Dashboard' and includes links for 'Edit dashboard', 'Upgrade account', and a prominent blue 'Create resource' button. The central section, labeled 'For you', features a horizontal row of six cards: 'Build' (with a blue background), 'Create and deploy an application' (5 min), 'Create a custom dashboard' (3 min), 'Explore IBM Cloud Shell' (2 min), 'Build cloud-native apps using IBM Cloud Object Storage' (10 min), and 'Monitor' (partially visible). Each card provides a brief description and a 'Getting started' button. At the bottom, a 'News' section is partially visible, showing a headline about 'Announcing IBM Cloud Pak for Network Automation'.
