| Project Name | Hazardous Area monitoring in Industrial Plants powered by IOT |

The screenshot displays the IBM Cloud Dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes a search bar, navigation links for 'Catalog', 'Manage', and 'DHARSHINI K's Account', and a 'Create resource' button. The main content area is titled 'Dashboard' and features a 'For you' section with several cards: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Create and deploy an application' (Browse our starter kits, and then select one to jump start the process to create and deploy your app), 'Create a custom dashboard' (Create a shareable dashboard that you can customize with widgets, scope, and your own layout), 'Explore IBM Cloud Shell' (Try a command-driven approach for creating, developing, and deploying a web project), 'Build cloud-native apps using IBM Cloud Object Storage' (Build integrated apps using compute runtimes and microservices and use IBM Cloud® Object Storage services for data storage), and 'Monitor' (Get vis perform your re). Each card has a 'Getting started' button and a time estimate. Below the 'For you' section, there are links for 'User access', 'Manage users', 'News' (Announcing IBM Cloud Pak for Network Automation Version 2.4), 'Planned maintenance', and 'View all'. The bottom of the dashboard shows a Windows taskbar with the search bar, taskbar icons, and system tray information including temperature, time, and date.

The screenshot displays the IBM Cloud Dashboard. At the top, a dark header bar contains the 'IBM Cloud' logo, a search bar with the placeholder 'Search resources and products...', and navigation links for 'Catalog', 'Manage', and 'Harini M's Account'. Below the header, the main content area is titled 'Dashboard' and includes links for 'Edit dashboard', 'Upgrade account', and a prominent blue 'Create resource' button. The dashboard is organized into a grid of tiles under the heading 'For you'. The first tile, 'Build', is highlighted with a blue background and describes exploring IBM Cloud with easy starter tutorials. Subsequent tiles include 'Create and deploy an application' (5 min), 'Create a custom dashboard' (3 min), 'Explore IBM Cloud Shell' (2 min), 'Build cloud-native apps using IBM Cloud Object Storage' (10 min), and 'Monitor' (partially visible). Each tile features a 'Getting started' button. A 'News' section at the bottom highlights 'Announcing IBM Cloud Pak for Network Automation' with a 'View all' link.
